**1. Format of Presentation Night on 10<sup>th</sup> May 2016**

Nina Hopkinson stated that the purpose of the meeting was to discuss the format of the presentation night on 10<sup>th</sup> May 2016. It was also proposed to hold a crib drive and it was therefore suggested that the presentations should take place in the interval. This would hopefully encourage people to stay and take part in the crib drive.

A discussion took place as to whether it would be necessary to start earlier but this might prove difficult for some people who had work commitments. It was therefore agreed that the crib drive would start at 8.00pm at the latest. Nina Hopkinson suggested that people should be encouraged to buy drinks before the crib drive started and during the interval in order that the game progressed as quickly as possible. However, it was recognised that it would be difficult to limit people to buying drinks at specific times and that often this was not what slowed the game down but rather a number of slower players.

It was agreed that Pam Haines would provide food on the evening and this should be financed from the crib funds.
